Filed: December 21, 2004

For: MIXTURE FOR APPLYING A NON-CORROSIVE, THIN POLYMER COATING WHICH CAN BE SHAPED IN A LOW-ABRASIVE MANNER, AND METHOD FOR PRODUCING THE SAME

The owner\*, Chemetall GmbH

, of 100

percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on this instant application which would extend beyond the expiration date of the full statutory term of any patent granted on pending **reference** Application Number 10/511,242, filed on May 23, 2005, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said **reference** application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending **reference** application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the **reference** application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173 of any patent granted on said **reference** application, "the term of any patent granted on said **reference** application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending **reference** application," in the event that: any such patent, granted on the pending **reference** application, expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
